SIXTH CUP
It's so nice to see you each day, Kazuno!
Hellooooo!
This is the Japanese style cafe that's hurting for business, An. Today, however, things are a little different.
.....
Welcome..?

I'm so glad I got up the courage to ask you!
We're super lucky to have tea with you!
I too am happy to have conversation partners other than that noisy Cedric.
Really?!
There've been so many rumors about you two lately!
Like about how a super hot foreigner has been visiting the shopping district!
I never heard those rumors...!!
SHOCK
SERIOUSLY?!

Kazuma!
I'M NOT A STALKER. I JUST LOVE YOU! (SERIOUS)
IT'S WHAT'S INSIDE THAT'S THE PROBLEM!!
Ka-zuma!
Kazuma~
...Well, it's true if he keeps his mouth shut he's pretty good looking.
So it's true?! You're a real prince after all?! Amazing!!
Squee!
Squee!
Hahahahaha! It is nothing impressive!
Either way, that the number of customers has increased is a good thing.
Still...
PISSED
Just what is this extreme irritation?
PISSED
PISSED
PISSED

MEEMEEMEE!
If I'm lucky I might catch myself a palanquin~!
Here are your orders.
By the way, what's your type of girl, Mr. Prince?
EXCUSE ME?!
SAY WHAT?!
HEY, LET GO!
GRAB
UH WELL...
That won't be possible. This girl is my future wife.
But I'm not lying.
staaaare
AND PLEASE DON'T TELL LIES LIKE THAT!!

Your silken black hair, your sparkling eyes-
Everything, absolutely everything about you is adorable. Your determination working so hard alone in this shop is beyond admirable.
Please, become my wife.
YOU-!!
Say what?
delusional
And I just love that strength with which you punch me!
Wait, you mean this cafe is... that kind of shop?
ABSOLUTELY NOT!! THIS CAFE IS A COMPLETELY NORMAL, ENTIRELY AVERAGE CAFE!
hahahaha...
Y-you're right! I'm sorry!
GULP

PFFFFFFFT
!?
Haha, it seems you ladies are not yet ready for this coffee.
TREMBLE
Kana, Mika, are you okay?!
Huh?!
GULP

H-HOWEVER, I PROMISE YOU THAT YOU'LL SOON FIND IT'S TASTE DELICIOUS!
THE POWER OF LOVE WILL AID YOU!

Yeah. He's a complete weirdo.
There's something wrong with this guy.

ダッ dash
HEY, W-WAIT!
PLEAES EXCUSE US!!!
Um, w-we just... we just remembered an erand or two we need to take care of, so-
Noooo...
They were the first customers in so long, too...!
Now they've left, thanks to you!
Hmmm, I can't figure why they did.
All I said what that I'm in love with you, Kazuno.

That brief sensation I felt...
...of my heart jumping... It must have been my imagination.
NO YOU'RE NOT! YOU'RE JUST A PERVERTED MASOCHISTIC PRINCE! PLEASE GO HOME ALREADY!
He didn't deny the part about being a pervert, though
That's not quite right. I'm only a masochist if you're my partner, Kazuno.
!!
The next day we once again were hurting for business— or rather, was it just my imagination that fewer customers than ever came by?
I hear that place there is a horrible, terrifying, and disturbed cafe!
What, really?! I'm not going there!!
